AWARDS FOR TRAINING AND HIGHER EDUCATION

athe Level 4 & 5

Extended Diploma in Computing

West Wood
ADVANCED STUDIES

About **athe** - UK

Awards for Training and Higher Education (ATHE) is a global awarding organization regulated by Ofqual and other United Kingdom and international regulators. ATHE provides with a wide variety of qualifications including, but not limited to; business and management, accounting, law, computing, health and social care and religious studies.

The Aims of the Qualifications

The aims of these qualifications are to develop knowledge and understanding in a range of subject areas which are pertinent to the development of participants and to junior management roles in organizations. The qualifications also support progression for learners to higher qualification levels.

ATHE Level 4 & 5 extended diploma

Those who completed ATHE Level 4 & 5 Extended Diploma in Computing can progress into Third year of the UG Computing programs offered by the UK Universities.

The UG program in UK Universities involves 360 credits. ATHE Level 4 & 5 Extended Diploma in Computing will cover 240 credits and the rest (120-160 credits) can be completed through most of the UK universities.

ATHE (Awards for Training and Higher Education) Level 4 and Level 5 classes are offered at **West Wood Advanced Studies FZE** at Ajman in collaboration with Wisdom Education Group (Authorized ATHE partner in UAE).

ATHE Level 4

Extended Diploma in Computing
(qualification with 120-credit)

**Duration:** One year

Entry Requirements:
For learners who have recently been in education or training the entry profile is likely to include one of following:

• A level/12th grade with achievement in 2 or more subjects supported by 5 or more GCSEs at grades C and above

• ATHE level 3 Diplomas or otherrelevant level 3 Diplomas

• Other equivalent international qualifications

Age: 18+

Unit Title	Level	Credit
IT Systems Development	4	15
Programming and Scripting	4	10
Data and Database Systems	4	15
Computer Systems Networks and Security	4	10
Legislation, Regulation, Ethics & Codes of Practice	4	10
Organisational Data Architecture	4	10
Methods and Tools for Analysis	4	10
Data Preparation and Quality Risks	4	10
Statistics for Analysing Datasets	4	10
Analytical Impact through Data Visualisations	4	10
Synoptic Computing Project	4	10

Those who complete ATHE Level 4 Extended Diploma in Computing can progress into the Second year (Level 5) of the UG Computing programs offered by the UK Universities

ATHE Level 5

Extended Diploma in Computing
(Qualification with 120-credits)

Duration: One year

Entry Requirements:
For learners who have recently been in education
or training the entry profile is likely to include one
of following:

- Prior study in computing or related subjects
  at level 4 or above a level 4 qualification.

- other equivalent international qualifications

Age: 18+

Unit Title	Level	Credit
Computing Projects for Digital Transformation	5	15
Professional Development & Business Communication	5	15
Innovative Technologies and Connected Devices	5	15
Information Systems	5	15
Advanced Database Practice	5	15
Programming for Data Engineering	5	15
Implementing Data Flows & Data Warehouses	5	15
Advanced Project	5	15

Those who complete ATHE Level 5 Extended Diploma in Computing can
progress into the Third year (Level 6) of the UG Computing programs
offered by the UK Universities
